# *Sponsor's Lounge*

## AN EXPANSIVE, CREATIVE ENVIRONMENT

Our Sponsors' Lounge offers spacious hospitality for your conference, training day or meeting. Boasting natural daylight through the stadium's unique glass frontage, the Lounge has capacity for up to 220 guests and the benefit of its own dedicated bar.

The area can also be partitioned in the middle via our central door system, allowing for creation of a syndicate room or separate catering area.

We provide fantastic food options and our friendly staff are on hand to make your occasion a great success.

We can supply PA/AV systems, screens, data projectors together with our on-site events technician. Other specialist equipment can also be provided with advance notice.

We can advise on specific room arrangements and layouts to suit your event (boardroom, theatre, cabaret and casual styles). If you need more information, please let us know.

If it's a special event you're looking for, our lounge is perfect for all occasions.

## *Boardroom*

### AN IDEAL SPACE FOR SMALLER MEETINGS

Our Boardroom is perfect for smaller groups of up to 30 guests or delegates and as you would expect with such a title, it delivers an executive level solution to your meeting needs.

Why not host your breakfast meetings here? Or equally this attractive area is ideal for breakout sessions, networking events and much more.

As with all our rooms, it offers natural daylight and a panoramic view over the Kufflink Stadium – it's certainly a venue with a difference.

This is the perfect room for your business and meeting requirements.

The Boardroom has access to all PA/AV equipment. Wi-Fi, pads, pens and cordials are included.

# *Chairman's Suite*

## FOR A MORE INTIMATE EXECUTIVE OCCASION

The Chairman's Suite is ideal as a more relaxed, intimate environment, but offers a higher standard of service for smaller groups of up to 10 guests.

With natural light and a panoramic view of the stadium, the Chairman's Suite is another perfect yet unique option for your conference, meeting or training day.

It is also a perfect setting to host executive lunches in professional, private surroundings.

We ensure you will enjoy a memorable, productive and creative experience.

As with our other rooms, food and equipment options are plentiful and we can tailor additional requirements on request.

## Events

ENTERTAINMENT • SEMINARS •  
COMMUNITY FUNCTIONS & MORE

In addition to the Kuflink Stadium's corporate and business resources, our lounge and rooms host events of every type in less formal settings including: charity functions, musical tribute acts, themed party nights, seasonal celebrations, seminars, fitness presentations, community gatherings and more.

We also offer pitch hire for corporate and social functions in late Spring.
